To: MRFA

On behalf of all the plank owners of IUWG-1, who attended the 2001 reunion. I would like to thank you for all the assistance you provided to me and for making the reunion a huge success. Without the MRFA this would never have happened. I would also like to thank all the IUWG-1 members for all the camaraderie displayed at the reunion. The 50/50s and donations covered the cost of the hospitality room and the snacks, etc.

Thanks for helping in making the reunion a huge success. I'm looking forward to seeing you all again. IUWG-1 Vietnam now has a web site thanks to Larry Eberling <http://iuwg1vets.org>.

▲ MRFA products were selling like hotcakes!

MRFA thanks to board member Doug Brown for the large MIA flag we had on display. I know Gunner Stanley sure appreciated it!

I'd like to thank Albert and the rest of the crew for the reunion. Never thought I'd ever see so many from E Co., 3RD/60TH. Without the MREA it would not have happen. Thanks!

▲ Balloons anyone?

I received several e-mails from Jack Horn C/CO/2nd/47th Jul-Dec 69 who attended the reunion. In one he says, "I want those who also feel this bond to know that they're not alone. Our friendship purges the ghosts of the past and opens our hearts (and minds) to forgotten brothers in arms. Mt life was changed as much this past weekend as it was 32 years ago." Great work by all involved in putting this together and pulling it off with excellence. Well Done !! Jack Horn"
